

## **Evangel Life Center** Membership

**Everyone is welcome to participate and receive ministry at Evangel Life Center!** We don't make formal membership a requirement to receive ministry, attend classes, be in a cell group, take communion, or participate in the many and various aspects of the life of the fellowship - we are GLAD you are here and most importantly that you serve God vitally and with your whole heart, mind, soul and strength.

**Voting Membership at Evangel Life Center is a privilege and great responsibility** and those who choose to apply for voting membership desire to live life at that higher level of responsibility and accountability. Voting members are those who make decisions about leadership, finances, and will shape the long-term future of our this fellowship. We welcome all those who would like to "step up" to the challenge of voting membership.

\*\*\* Our membership requirements are presently under review, but below is the system in place as reflected in our **Constitution & Bylaws**. \*\*\*

### **To become a voting member:**

- 1)** You must be actively serving in an ongoing ministry at Life Center;
- 2)** You must be tithing and contributing to Missions.
- 3)** Obtain an *Application for Voting Membership* (available at the information table) and fill out each question, sign and return it to Pastor Clark.
- 4)** Your name will be reviewed by the staff and if approved, be forwarded to the Board of Directors for ratification. At this point, your giving records will be reviewed by Pastor Clark and your service in the Assembly by the Staff. Cell leaders will also have input to this process as we go forward.
- 5)** Successful applicants will be notified of the decision of the Staff and Directors and be welcomed to voting membership at the next Vision Sunday and commended to the congregation publicly.

*Note: Letters of transfer will be considered from other Assemblies of God congregations, but will not take the place of the requirements listed. No person currently under discipline from any congregation will be considered for membership, as God has given to His people the ministry of reconciliation.*
